

TBRI® Caregiver Series

TBRI® is designed for children from “hard places” such as abuse, neglect, and/or trauma. Because of their histories, it is often difficult for these children to trust the loving adults in their lives, which often results in perplexing behaviors. TBRI® offers practical tools for parents, caregivers, teachers, or anyone who works with children, to see the “whole child” in their care and help that child reach his highest potential.
